All written with empathy, clarity, and respect for where you are in your tech journey. Imagine checking your messages without confusion, capturing cherished moments in crystal clarity, and finally feeling in control of your device without asking your kids or grandkids for help every time something changes. That's the freedom this book delivers. Whether you're using the iPhone to stay in touch, stay organized, or simply stay curious, this guide is the definitive key to unlocking its full potential. Don't let technology leave you behind. Take the guesswork out of your iPhone experience and start enjoying everything it was designed to offer with confidence, ease, and maybe even a little excitement. Scroll up and grab your copy now. Your iPhone mastery starts today. Translator: Nicolle Raven. PUBLISHER: TEKTIME. Targeted Kelly Gates, 2025-08-19. How video transformed policing and security. Video cameras are everywhere: attached to buildings, drones, and dashboards; embedded in smartphones, laptops, and doorbells; worn on police uniforms and sunglasses. In *Targeted*, Kelly Gates argues that the resulting avalanche of video has transformed the landscape of policing and security in the twenty-first century. Video production, analysis, and archival management are now central to the ways police power is exercised, criminal law enforced, and spaces of human habitation securitized. Gates examines the primacy of video in four key areas of policing and security: the field of digital multimedia forensics, private video surveillance, infrastructure development, police body-worn camera

systems and video analytics for automated surveillance Video AI Case studies of two companies illustrate the role of corporations in these far reaching media technological changes Target Corporation has integrated its retail security operations with law enforcement expanding its surveillance beyond its stores and parking lots and into the criminal legal system Axon Enterprise is leveraging the growing volume of police body cam video to build a large scale proprietary platform for policing Targeted reveals the role of video infrastructure development in the increasingly entangled relationship between the modern police and the modern corporation in the long wake and ruins of neoliberalism **PC World** ,2005 **Escape Emerald** **2** Bill H.
